### Lead Generation

Our lead generation programs are entirely focused on the technology & Software sectors. We have several different opportunities in which to develop the leads.

#### Lead Generation via Content Syndication:

We utilize our call center to promote your business via a Whitepaper of your choosing. Our database has over 5 Million contacts. Typical targeting opportunities include employee titles, geography, company size and industry. Example:

Geography: North America Company Size: 1,000+ Titles: IT Managers+ Additional parameters may increase CPL rate.

Average CPL Rate: \$35 Account Based Marketing (ABM) and (BANT), Budget Authority Need & Timing leads are also available at additional cost.

#### Lead Generation via email:

We help create an email campaign to our database of over 1 million subscribers which drives traffic to a hosted lead form. Leads are delivered once someone downloads the content asset.
